## 学校名 Walter Colton Middle school 日時 Friday\_時間(何時から何時までの活動か):3:30-6pm\_

授業の目的: We will introduce Japanese cuisine to the students. We will use おにぎり as a simple way to demonstrate what we discuss. We will ask the students to keep an open mind and reflect on what dishes are special to their own countries.

## 授業のアウトカム

Students will be able to: sample foods they may not have access to in their everyday life, and use what we have learned so far to better appreciate a different cultures food. We hope to start a discussion on how different cultures use similar foods, like rice, and how some things can be considered food in one culture but not another.
